Re: Shots heard in the vicinity of Phillips Farm House
the night of Sept. 14th, 1922.

James E. Boyle, 250 Eastern Ave., salesman
Who stated that he heard 5 shots which were
fired as follows: First he heard four shots and then
one shot. This was about 10:15 P.M. and he is certain
about the time as he was watching the clock so as to
report for work at midnight. He remarked to his wife
that he thought it was probably some Italians firing
pistols to have some fun. He does not know which direction
the shots came from. He often heard shots which came
from the Italian settlement who often did that for
amusement. He also stated that the story in the papers
regarding the shots coming from the Phillips farm is
not true. He stated he never said he believed they came
from the Phillips farm.
